STAT

SUBJECT: Drug Legislation - Update on Possible House  
"Drug Czar" Amendment

1. The House will begin consideration of the omnibus, anti-drug bill on 7 September 1988.

2. In addition to the Brooks "drug czar" amendment, there will be a "drug czar" amendment offered by Mr. Hughes. The Hughes amendment is in some ways more comprehensive and thorough-going than the Brooks proposal or than comparable Senate versions. The exception for the authorities of the Director of Central Intelligence contained in previous Hughes proposals has been dropped.
